The New Art Center in Newton welcomes all to an Opening Reception / Open House on Friday, June 3, 5:00 - 7:30pm. This event is free and open to the public.

The Creative Process exhibition, running through June 10, will feature work produced by artists of all ages in our visual arts classes over the past year. It showcases our students' achievements in a wide range of media, including drawing, painting, printmaking, ceramics, sculpture, and mixed media. The work in this exhibition reflects the outstanding quality of our educational programs for children, teens, and adults, and is part of the New Art Center's mission of supporting artistic creation and education. Many of the works will be available for sale. In the Holzwasser Gallery an exhibition of work by distinguished New Art Center faculty will be on display. **All are welcome to visit the New Art Center to mix and mingle with students, faculty, and staff; enjoy refreshments; and learn more about the New Art Center's classes, exhibitions, and public programs.**
