

New Art Center Summer Adult Classes

New Art Center 61 Washington Park Newtonville
617-964-3424 www.NewArtCenter.org

Early Registration ends June 17!

Supercharged Painting in Early & Late Summer

John Murray

This popular class combines an active studio atmosphere with an experimental approach to painting. Students of all levels can develop techniques using acrylic, oil, glazes, pigments, and aspects of collage in this class which encourages both figurative and abstract approaches to painting. Individual critiques with the instructor will help students develop a personal voice in their work.

Each 4-week section: \$240.00

One of our most popular classes - has a special Summer Option: Sign up for any two Supercharged 4-Week sections and take \$20 off the total price!

Supercharged Mondays 4:30-8:30pm

Early Summer - AV114032 7/11-8/1
Late Summer - AV114055 8/8-8/29

Supercharged Wednesdays 4:30-8:30pm

Early Summer - AV114031 7/6-7/27
Late Summer - AV114056 8/3-8/24

Drawing Outdoors

Guillermo Velasco AV114035

Come and join us for a weekly adventure during the warm summer days, drawing and sketching outdoors! Our inspiration will be the many sites, places and people around Newton. The instructor will work individually with each student to further develop their particular interests, using a variety of dry media and watercolor. Bring a small sketchbook, pencils and eraser to the first class and wear comfortable clothes and shoes.

8 Tuesdays 1:00-4:00pm (Afternoon class) 6/21-8/16
(no class 7/5)

Early Registration \$260 Tuition \$280

*Class sites will be communicated by email. Please make sure we have yours on file!

Ceramics Workshop

Julie Fox AC114033

All levels of Ceramics students are welcome in this 6-week class. Wheel throwing and hand-building will both be taught through demonstrations, examples and critiques. Glazes and surface techniques will also be covered.

6 Tuesdays 6:30-9:30pm 7/12-8/16

Early Registration \$228 Tuition \$250 Studio/Firing fee \$35

Beginning Ceramics

Julie Fox AC114034

This 6-week class will introduce students to wheel throwing, handbuilding, and glazing. Through demonstrations and plenty of hands-on time, students will learn the basic techniques of ceramics.

6 Wednesdays 6:30-9:30pm 7/6-8/10

Early Registration \$228 Tuition \$250 Studio/Firing fee \$35

Beginning & Intermediate Drawing

Karina Kadiyska AV114038

This class for Beginning and Intermediate students will challenge and improve drawing skills by working from a variety of subjects and focusing on central elements of drawing: perspective, composition and form. Working from still-life, room interiors, outdoors, from portraits and the figure, students will learn important technical skills and experiment with different materials and ways of working.

7 Tuesdays 5:30-8:30pm 7/5-8/23

Early Registration \$247 Tuition \$270 Model fee \$20

Lustrous Pastels

Chris Arthur AV114059

This course is for those interested in creating luminous, color saturated pastel drawings, and artists and painters who want to explore pastels as another method of working. The class will focus on 'painting' with pastels, synthesizing color, form, light, shadow, and layering to create expressive and dramatic effects.

All levels of students are welcome.

4 Mondays 5:00-7:00pm 7/25-8/15

Early Registration \$95 Tuition \$110

Hand-dyed Silk Scarves

Theresa K. Harris AV114053

Learn the secrets of how to create hand-dyed silk scarves! We'll explore a variety of techniques for creating designs on silk including painting, color removing, block printing, printing with found objects, and resist techniques. We will work on color theory and building layers of design to create scarf and fine art textile pieces. All levels of students are welcome.

4 Wednesdays 6:00-8:00pm 7/6-7/27
Early Registration \$95 Tuition \$110 Materials fee \$20

Photo-Based Mixed Media

Cristina Hajosy AV114054

Photo-based mixed media inspires new insights into the power of using photographs in a variety of ways. In this course, you will use hand coloring, collage, assemblage, monotype printing, and artist's bookbinding to explore elevating of the photographic image. Experimenting with varied techniques and concepts, students will apply their creativity to self-portraits, series, and repeated images or themes. This course is open to all students in any media (except oil paints) at any level who wish to expand their artistic process in a playful, supportive environment.

4 Thursdays 6:00-9:00pm 8/4-8/25
Early Registration \$141 Tuition \$155 Materials fee \$20

Try 4 Classes! – Early Summer

AV114036

Not sure which New Art Center class is for you? In this course for Beginners, students can try a little bit of everything! Every session will have a different instructor giving an introduction to four different classes, all offered during the regular term at the New Art Center: **drawing, print-making, watercolor, and ceramics**. All materials are provided.

4 Wednesdays 6:30-8:30pm 7/6-7/27

Try 4 Classes! - Late Summer

AV114037

Every session will have a different instructor giving an introduction to four different classes, all offered during the regular term at the New Art Center: **drawing, oil-painting acrylic painting, and pastels**. All materials are provided.

4 Wednesdays 6:30-8:30pm 8/3-8/24
Early Registration \$95 Tuition \$110 Materials fee \$30

Glass Fusing Workshops

Parent & Child Glass Fusing Workshop (gr 2+)

Michel L'Huillier AV114060

In this workshop, students will learn the basics of glass fusing techniques and play with colored glass pieces, frits and stringers. Through a series of fun exercises, parents and children will work together to create a nameplate, necklaces, and a small bowl or plate. Fused pieces will be available at the office within a week. Bring safety glasses and wear closed-toe shoes. For grades 2 and up.

1 Monday 4:00-6:00pm 7/11
Early Registration \$50 Tuition \$65
Materials and Firing Fee \$70

Adult Glass Fusing Workshop

Michel L'Huillier AV114061

Through the study of a wide range of fused glass pieces, students will learn about different glass firings. The class will experiment with small coaster sized pieces using colored glass pieces, glass powders and glass frits and then create an 8"x8" bowl. No previous glass experience is necessary and high school students are welcome to attend. Bring safety glasses and wear closed-toe shoes.

1 Monday 6:00-8:00pm 7/18
Early Registration \$35 Tuition \$40
Materials & Firing Fee \$75
